Spare parts Department

LARELEC

Creation of LARELEC company

Larelec was initially a Unipersonal Simplified Share Company founded in 2008 by Philippe LAREDO, Chief Executive Officer. In early 2019, Larelec became a Simplified Share Company thanks to the employees who participated in the restructuring of the company. Larelec is based in Gémenos (France)

Company specialized in the electrical field & Automation

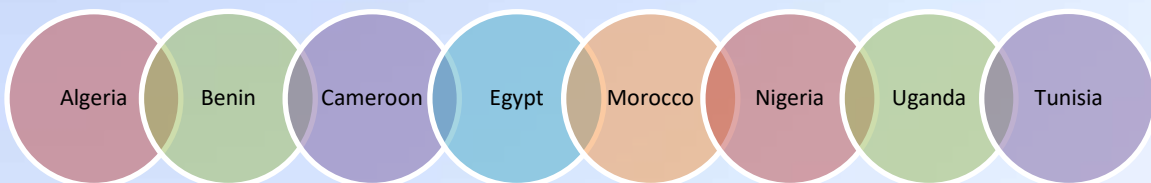

Larelec company it is an integrator in electrical and automation works; we are performing the detailed engineering from HT equipment's till sensors, including all the necessary phases for realization of complete cement factory renovation or new cement factory,

Spare parts

- Larelec has a section specialized in spare parts.
- This allows the company to work in different factories in order to maintain their effective functioning in the long term, In addition to forge closer links with its customers.

- Accordingly, a competent team is available to provide a wide choice of specific materials, by consulting different suppliers in order to respond accurately to customer requests.
- Spare parts are grouped into different large family of products like:
 - ✓ Distribution equipment
 - ✓ HT / MT / LV actuators
 - ✓ Industrial automation and computer software
 - ✓ Instrumentation sensors
 - ✓ Cables & accessories

- Through its network and its expertise Larelec intervenes already in different countries such as:

HV/MV/LV Distribution Equipement

- ✓ HV circuit breaker with control panel
- ✓ MV/LV transformers
- ✓ MV/LV capacitor banks
- ✓ LVDB, MCC fixed and withdrawable
- ✓ UPS
- ✓ MV/LV Frequency cconverter and ssoftstarter with spare parts
- ✓ Socket box
- ✓ Lighting box
- ✓ Fuse
- ✓ LV electrical material (circuit breakers, contactors, thermal protection)

Electric

legrand®

ALKARGO

MV/LV Actuators

- ✓ MV/LV Motors
- ✓ Servo-motor
- ✓ Gear box
- ✓ Frequency converters and starters
- ✓ Moto-reducer
- ✓ Pump
- ✓ Coupling, flanges
- ✓ MV/LV Motors with spare parts
- ✓ Electro-valves
- ✓ Pneumatic Actuators
- ✓ Jack
- ✓ Carbon brushes

ABB

SEW
USOCOME

GRUNDFOS

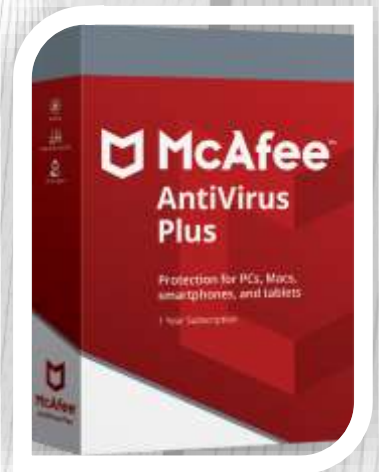

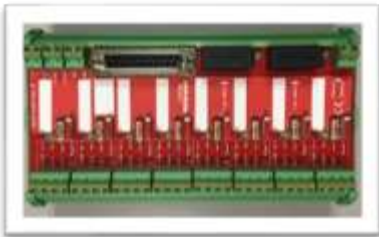

Process Control, softwares & informatic

- ✓ Programmable Logic Controller (PLC)
- ✓ Notebook
- ✓ Software
- ✓ License
- ✓ Antivirus
- ✓ Computer Equipment
- ✓ Interface cabling (Mirror terminals)

Sensors and process control instrumentation

- ✓ Transducer
- ✓ Power supplies
- ✓ Temperature, pressure, flow, level, vibration transducers, dust monitor, limit switch, thermocouples and Pt100
- ✓ Noise level
- ✓ Speed monitor
- ✓ Dynamo
- ✓ Gas analyzer
- ✓ Kiln and Cooler Cameras for
- ✓ Scanner

Industrial Communication

- ✓ Communication module
- ✓ Communication matériel
- ✓ Téléphone
- ✓ Intercom

Electrical Products

Tools

- ✓ Measuring device de mesure, Tools

FLUKE®

FACOM

Lighting, air conditioning, ventilation, earthing, fire alarm

- ✓ Lighting equipments
- ✓ Earthing system
- ✓ Fire alarm system
- ✓ Lightning system
- ✓ Air conditioning with spare parts

Remote control and industrial warning

- ✓ Load break switch
- ✓ Junction box
- ✓ Local push button ox
- ✓ Socket box
- ✓ Lighting box
- ✓ Rope switch
- ✓ Klaxon
- ✓ Belt drive switch

Spare parts KOMATSU and CATERPILLAR

We have the ability to supply spare parts for construction and mining machinery, forklifts, loaders, bulldozers, dumpers, excavators.

All spare parts supplied are genuine KOMATSU et CATERPILLAR
Here below some examples:

- ✓ Hydraulic pumps
- ✓ O-ring
- ✓ Gaskets
- ✓ Sealing rings
- ✓ Hydraulic dispenser
- ✓ Fuel pumps
- ✓ Water pumps
- ✓ Clutch discs and crowns
- ✓ Valves
- ✓ Guides
- ✓ High pressure injectors

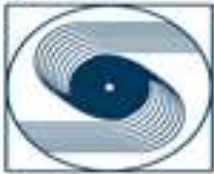

Spare parts KOMATSU and CATERPILLAR
